SONOMA COUNTY

CABERNET SAUVIGNON

The 2022 growing season in Sonoma started off smooth, with full canopies, good fruit set and medium-sized clusters. A week long heat wave in September caused sugars to spike without the grapes being able to fully mature. As a result, harvest began well ahead of a normal year. Despite the extreme weather variations, our 2022 wines display plush fruit and balanced acid, though with notably lighter tannins compared to previous years.

WINEMAKER NOTES

A fresh, sunshine-driven Cabernet Sauvignon displaying depth and complexity, the 2022 vintage was picked early for optimal fruit-forward freshness and pressed carefully to harness soft and easy tannins.

TASTING NOTES

On the nose, notes of black raspberry compote and blueberry syrup. On the palate, a smooth entrance and approachable tannins complement flavors of boysenberry and blackberry. Perfectly paired with roast duck stuffed with sage sausage and cornbread alongside buttered fingerling potatoes.
